CUMBERLAND COUNTY
EMPLOYEE RESPONSIBILITIES

HARASSMENT

Cumberland County Government is committed to maintaining a work environment in which all individuals are treated with respect and dignity. Each individual has the right to work in a professional atmosphere that promotes equal opportunities and prohibits discriminatory practices, including sexual and other unlawful harassment. It is Cumberland County Government's firm policy that all employees are responsible for ensuring that the workplace is free from all forms of harassment, including sexual harassment. Harassment in the workplace is a form of discrimination which violates Title VII of the Civil Rights Act of 1964. Harassment in any form, including sexual, will not be tolerated. The New Jersey State Law prohibiting discrimination in the workplace provides additional information and definitions related to workplace harassment.

Harassment is any verbal or physical conduct related to an individual's race, color, creed, ancestry, religion, sex, age, national origin, marital status, familial status, sexual orientation, veteran's status or disability, source of lawful income used for rental or mortgage payments, or any other classification protected by federal, state, or local law which interferes with or adversely affects an individual's work performance or creates and intimidating, hostile, or offensive work environment.

All employees must avoid any action or conduct which could be viewed as harassment, including unwelcome advances, requests for sexual favors or other verbal or physical conduct of a sexual nature. This includes sexual flirtations, propositions, and the display of sexually graphic pictures or objects, unnecessary touching, including patting, pinching, repeated brushing against another person's body, unwelcome sexually oriented "kidding" or "teasing" or sexually oriented practical jokes, suggestive or obscene written comments in notes, letters, invitations, e-mail or other electronic media, offensive visual contact such as staring, leering, gestures, or inappropriate or suggestive comments about another person's physical appearance or dress. This includes actions occurring during non-business hours.

Although sexual harassment commonly involves a male supervisor and a female subordinate, it can come from a person of either sex against a person of the opposite or same sex and from peers as well as supervisors and visitors to the workplace. Sexual harassment is that conduct which has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment or where the submission to or rejection of such conduct is used as the basis for employment decisions affecting such individuals.

In addition to prohibiting sexual harassment, the County prohibits the harassment or intimidation of an individual based on his or her race, creed, color, religion, national origin, ancestry, marital status, sexual orientation, familial status, sex, age, disability, veteran status, gender identity or expression, source of lawful income used for rental or mortgage payments or any other classification protected by federal, state, or local law. Harassment can be written, verbal, or physical conduct – including, but not limited to slurs, remarks, epithets, jokes, intimidating or hostile acts based on an employee's protected class, when such conduct has the purpose or effect of: 1) Substantially interfering with and individual's work performance, or creating and intimidating, hostile, or offensive work environment; 2) Otherwise adversely affecting an individual's employment opportunities, or; 3) Unreasonably interfering with an individual's work performance. Such behavior is unacceptable in the workplace and anywhere work is conducted, including, but not limited to, business trips, conferences, work-related travel and business related social events. It includes contacts over the telephone, voice mail, regular mail, facsimile machine or any other electronic communication device.

Any employee who feels that they have been the object of sexual harassment or other unlawful harassment or discrimination by anyone, including supervisors, co-workers, or visitors must immediately bring the problem to the attention of their Department Head, Deputy County Administrator, or the Director of Personnel and Human Resources. If the complaint involves someone in the employee's direct line of command, or if the employee feels uncomfortable in doing so, the employee must report the problem to the County Administrator and or County Counsel. An employee may also call Akziom Consulting (856-697-3898) to report complaints of harassment and/or discrimination.

HARRASSMENT (Con't)

No employee is required to directly confront the person(s) who is (are) the source of the harassment before notifying any of the above individuals. No management or other employees may retaliate or discriminate against any employee for filing a complaint. Any employee acting in this manner will be subject to discipline, up to and including, discharge from employment.

All complaints will be taken seriously and promptly investigated. Where an investigation confirms the allegation of sexual harassment, the County will act promptly to eliminate the offending conduct and disciplinary action based on the severity of the findings will be taken, up to and including immediate termination of employment. Cumberland County has adopted a zero tolerance policy concerning this conduct.

To the fullest extent possible, the privacy of all parties involved will be respected. However, the individual accused of sexual harassment may be informed, under certain circumstances, who is making the accusation so that the accused can respond to the allegations. Retaliations or reprisals against anyone for bringing a complaint of sexual harassment in good faith, or participating in the investigation of such a complaint, are strictly prohibited.

EMPLOYEE PHYSICAL EXAMINATIONS

All newly hired employees of Cumberland County are given physical examinations to determine their ability to perform the essential functions of their job. Periodic physical examinations may also be required. Cumberland County will pay for the costs of these company-required physical examinations. The results of these examinations will be kept in strict confidence. Any employee who does not comply with these obligations may be discharged from employment. There may be bona-fide occupational qualifications which must be met in order to be eligible for employment.

OUTSIDE EMPLOYMENT

Outside employment may be permitted provided it does not interfere in any way with job performance at Cumberland County. This includes attendance, availability, overtime, etc. All employees are required to complete a "Request for Outside Employment" form on all outside employment and submit to their Department Head and the Human Resources Department. Outside employment which has an adverse effect upon job performance may result in the employee having to choose between the jobs.

IDENTIFICATION BADGES

Each employee is given an identification badge to identify themselves as a County employee. It must be worn at all times. A fee may be charged for replacement of lost identification badges.

ALCOHOL AND DRUGS

The County of Cumberland promotes a safe and healthy work environment. In order to achieve this work environment, drug and alcohol influenced performance cannot be tolerated nor accepted. Anyone who is unfit for work or is found working under the influence of such substances or involved in any one of the following activities will be subject to disciplinary action, up to and including discharge from employment:

1. The use, sale, transfer, possession, or working under the influence of drugs, alcohol, or controlled substances while on Cumberland County controlled property or engaged in Cumberland County activities. Cumberland County reserves the right to take any and all lawful actions necessary to enforce this substance abuse policy, including, but not limited to, the inspection of the employee's property, desk or office space upon the reasonable suspicion of a violation of this policy.
2. The use of drugs or controlled substances on Cumberland County time, in a manner that could affect an employee's job performance, or present a safety threat to other employees, the public, or Cumberland County equipment or property.

ALCOHOL AND DRUGS (Con't)

3. For purposes of this section, drugs and controlled substances include, but are not limited to, those items which are illegal under federal, state, or local laws, including, among others, marijuana, heroin, hashish, cocaine, hallucinogens, depressants and stimulants not prescribed for current personal treatment by an accredited physician.
4. Other policies to reference regarding this topic are 4.04 Drug Free Workplace, 4.05 Drug and Alcohol Testing for Safety Sensitive Employees, and 4.19 Controlled Substances and Alcohol Testing.

SAFETY PROGRAM

Safety is of primary concern to Cumberland County Government. All possible steps will be taken to assure a safe working environment. However, the success of our safety program depends on each employee's attention to safe practices. Therefore, as part of their regular duties, employees are expected to accept responsibility for their own personal safety as well as the safety of their co-workers. A few reminders include:

1. Keep informed of the fire rules of the building you occupy.
2. Avoid accidents by observing and eliminating hazards and potential hazards.
3. Report any unsafe conditions to Supervisors immediately.
4. Always be especially alert of potential safety hazards when operating any vehicle
5. Never operate electrical equipment with wet hands or in wet conditions.
6. Inspect all electrical devices for frayed cords.
7. Know and use the proper techniques for lifting.
8. Report all accidents to your supervisor immediately.

The Safety and Accident Review Committee meets regularly and has a goal to provide a safe workplace for all employees. It develops safety partnerships with administration, provides an avenue for safety related items to be discussed, analyzes data on accidents to provide recommendations for safety improvement, and attempts to increase safety awareness among all employees. This Safety Committee is open to suggestions from all employees to improve the health and safety of our workplace.

ACCIDENTS/INCIDENT REPORTS

Any employee involved in a fall, exposure, occurrence which caused injury or had the potential to cause injury, or any other unusual occurrence, whether injury was sustained or not, must report the incident to his/her Supervisor or Department Head immediately. The employee's Supervisor will complete the Occupational Illness/Injury Report at the time of the incident and the employee will complete the Occupational Illness/Injury Employee's Report.

SMOKING

New Jersey currently has several laws that prohibit or restrict smoking for health reasons. The intent of these laws is to reduce the deleterious effects of smoking in the interest of public health. The right of the non-smoker to breathe clean air supersedes the right of the smoker to smoke. Areas designated as "Smoking Permitted" shall be posted with signs containing letters at least one inch in height or with the international symbol indicating smoking permitted. These areas must not be located where seepage of smoke could enter the building nor where employees may walk through on their way into or out of the building. Employees are to assume that all areas in public buildings are "smoking prohibited" unless an approved sign indicates otherwise. Violators are subject to disciplinary action.

SWIPE CARDS

An important function for hourly (non-salaried) Cumberland County employees is to accurately account for time in and time out of work through the use of swipe cards issued by the Human Resources Department. Salaried individuals use their swipe cards to document their daily arrival for duty. Salaried and/or managerial employees do not use swipe cards to document their departure from the work place. Use of daily swipe cards establishes a system for bi-weekly review prior to payroll processing. It assures that appropriate duty and leave time is accurately applied to each employee's attendance and payment record. Prior approval is required before an employee may work overtime or alter his/her routine work schedule. An employee must always keep his/her swipe card in good condition and in his/her possession during the work shift. Immediately report a lost, damaged, or defective swipe card to your Supervisor and promptly arrange for a replacement card at the Human Resources office. CUMBERLAND COUNTY
BENEFITS

DEFERRED COMPENSATION

Cumberland County Government offers its employees 2 deferred compensation plans. The plans are open to all County employees. Specific details regarding enrollment in the plan may be obtained from the Payroll Office.

PENSION SYSTEM

A. Retirement:

All eligible employees are required to enroll in the PERS upon permanent appointment or 1 year anniversary if provisional and PFRS upon graduation from the Academy for those with Police and Fire titles. This plan provides benefits for retirement, death and disability and is partially supported by Cumberland County Government. Employee contributions are deducted from the employee's paycheck and are based on annual salary.

All appointed and elected officials and those employees ineligible for PERS enrollment based on regularly scheduled hours (<32/week) hired after 1/1/08, unless otherwise deemed to be eligible, must join the Defined Contribution Retirement Program (DCRP) upon their employment with Cumberland County Government. These employees may reference the NJ Division of Pensions and Benefits regarding the particulars of this program.

If an employee leaves County employment before reaching retirement age, applications may be made for the return of salary deductions through Member Benefit On-Line System (MBOS).

Retirement allowance is based on years of service and salary level. There are several options available to any employee. Requests for retirement estimates may be made through the County Payroll Office or New Jersey Division of Pensions.

Further information about retirement benefits is provided in the booklet "Public Employees Benefits in New Jersey," available in the Payroll Office. Employees may access the website www.state.nj.us/treasury/pensions/

If you anticipate retiring from the County, you should notify your Department Head and Payroll Office six (6) months in advance to have enough time for all the paperwork to be approved by the Division of Pensions.

B. Life Insurance:

During a member's first year of membership in the system, he/she normally will be required by statute to participate in the system's group life insurance plan. The life insurance benefits are equal to 3 times your annual salary, with ½ being contributory and ½ being non-contributory. The employee may cancel the contributory coverage after one year if he/she desires by filing an appropriate notice of withdraw form with the system in advance of the desired termination date. Once canceled, however, it cannot be reinstated. Upon termination of employment, the policy may be converted to an individual plan within 30 days. The individual employee must pay for this coverage.

C. Pension Loans

If an employee has been a member of the system for three years, he/she may borrow, at low interest, up to half of the total amount contributed. The loan must be greater than \$50.00. An employee desiring such a loan should contact the Payroll Office or complete the appropriate form.

SOCIAL SECURITY

It is the policy of Cumberland County Government to deduct Social Security amounts from employee's pay as required by Federal Law. The percentage required by law is deducted from the employee's gross salary each pay period to the maximum stipulated by law. The County pays an equal amount on your behalf. See Policy No. 2.12 for additional information.

HEALTH BENEFITS INSURANCE

It is the policy of Cumberland County Government to provide health insurance benefits coverage to eligible County employees and their dependents. Specific procedures are contained in the plan documents and contracts pertaining to the program.

The Cumberland County Government Policy and Procedure Manual Policy No. 2.11 is available on-line and provides additional information concerning Health Benefits Insurance. Areas covered include definitions, procedures, leave rights, retiree benefits, and COBRA coverage.

Plan documents describing health insurance, dental insurance, vision, etc., may be obtained from the Human Resources Department.

COUNTY LIFE INSURANCE

The Cumberland County Government provides life insurance coverage for all eligible employees. This insurance is provided to all eligible employees on the first day of the month following 60 days of continuous employment at no cost to the employee. Information regarding this benefit may be obtained through the Human Resources Department.

- NOTICES AND POSTINGS (LEAVES)

An employee entitled to paid or unpaid leave under another benefit plan or policy must use the paid or unpaid leave in conjunction with FMLA, NJ FLA, or other government protected leave.

FMLA – FAMILY MEDICAL LEAVE ACT

FMLA - A federal law that entitles eligible employees of covered employers to take job-protected leave for time off due to specified medical reasons of the employee and the employee's family.

SERVICE REQUIREMENT - A person employed by the County of Cumberland Government for at least one year with at least 1,250 hours of paid service in the previous 12 month period may be eligible for FMLA.

LEAVE ENTITLEMENT: Eligible employees may take up to 12 workweeks of leave in a 12-month period for one or more of the following reasons:

- The birth of a son or daughter or placement of a son or daughter with the employee for adoption or foster care;
- To care for a spouse, son, daughter, or parent who has a serious health condition;
- For a serious health condition that makes the employee unable to perform the essential functions of his or her job; or
- For any qualifying exigency arising out of the fact that a spouse, son, daughter, or parent is a military member on covered active duty or called to covered active duty status.

An employee may request up to twelve (12) weeks of leave for a family and/or medical leave of absence in each twelve (12) month period. Any employee granted family and medical leave will be provided with group health insurance at the same level and under the same conditions as before the leave commenced. This situation will remain consistent for a 12 week period. Other applicable benefits do not accrue while on an unpaid leave. An employee on family and medical leave may not engage in other full-time employment during the term of the leave, unless such employment commenced prior to his/her leave and is not otherwise prohibited by law.

If possible, employees requesting family and medical leave of absence shall notify their Department Head at least 30 days in advance of the effective date of the leave. Employees are required to submit medical certifications to support a claim for leave for an employee's own serious health condition or to care for a seriously ill child, spouse, or parent. At its discretion, the County may require a second medical opinion and periodic re-certification of the serious medical condition at its own expense. If the opinions differ, the County (at its own expense) may require the binding opinion of a third health care provider, approved jointly by the County and the employee.

Special Note: Spouses who are both employed by the County are entitled for a total of twelve (12) weeks family leave combined (rather than twelve (12) weeks each) for the birth or adoption of a child, or to care for seriously ill children or parent.

Employees should reference Policy 2.07 of the Cumberland County Government Policy and Procedure Manual and the required posting for details regarding this benefit.

To apply for FMLA, an employee must complete a "Request for Family and Medical Leave of Absence" form supplied by the employee's Department Head. For further information, please contact the Human Resources Department.

NJ FLA – NEW JERSEY FAMILY LEAVE ACT

A state of New Jersey law that entitles eligible employees of covered employers to take job-protected leave for specified family reasons. An employee may not take NJ FLA for their own serious health condition.

Leave to care for and bond with a child does not cover children placed in foster care arrangements.

SERVICE REQUIREMENT - A person employed by the County of Cumberland Government working at least one year who has worked at least 1,000 hours during the 12 months immediately prior to taking leave may be eligible for NJ FLA.

LEAVE ENTITLEMENT - Eligible employees may take up to 12 workweeks of leave in any 24-month period for one or more of the following reasons:

- For the birth or adoption of a child (must begin leave within 1 year after date of birth or placement); or
- To care for, or arrange for a change in care for, a child, parent (including step-parents and parent-in-law), or spouse with a serious health condition. An employee's partner in a same sex civil union is covered by NJ FLA.

NEW JERSEY SAFE ACT

The New Jersey Security and Financial Empowerment Act (“NJ SAFE Act”), P.L. 2013, c. 82, provides that certain employees are eligible to receive an unpaid leave of absence, for a period not to exceed 20 days in a 12-month period, to address circumstances resulting from domestic violence or a sexually violent offense. To be eligible, the employee must have worked at least 1,000 hours during the immediately preceding 12 month period.

Leave under the NJ SAFE ACT may be taken by an employee who is the victim of domestic violence, as that term is defined in NJSA 2C:25-19, or a victim of a sexually violent offense, as that term is defined in NJSA 30:4-27.6. Leave may also be taken by an employee whose child, parent, spouse, domestic partner, or civil union partner is a victim of domestic violence or a sexually violent offense.

Leave under the NJ SAFE ACT may be taken for the purpose of engaging in any of the following activities as they relate to an incident of domestic violence or a sexually violent offense:

- 1) Seeking medical attention for, or recovering from, physical or psychological injuries caused by domestic or sexual violence to the employee or the employee’s child, parent, spouse, domestic partner, or civil union partner.
- 2) Obtaining services from a victim services organization for the employee or the employee’s child, parent, spouse, domestic partner, or civil union partner.
- 3) Obtaining psychological or other counseling for the employee or the employee’s child, parent, spouse, domestic partner, or civil union partner.
- 4) Participating in safety planning, temporarily or permanently relocating, or taking other actions to increase the safety from future domestic violence or sexual violence or to ensure the economic security of the employee or the employee’s child, parent, spouse, domestic partner, or civil union partner.
- 5) Seeking legal assistance or remedies to ensure the health and safety of the employee or the employee’s child, parent, spouse, domestic partner, or civil union partner, including preparing for or participating in any civil or criminal legal proceeding related to or derived from domestic violence or sexual violence; or attending, participating in or preparing for a criminal or civil court proceeding relating to an incident of domestic or sexual violence of which the employee’s child, parent, spouse, domestic partner, or civil union partner, was a victim.

Leave under the NJ SAFE ACT must be used in the 12 month period immediately following an instance of domestic violence or a sexually violent offense. The unpaid leave may be taken intermittently in intervals of no less than one day. The unpaid leave shall run concurrently with any paid vacation leave, personal leave, or medical or sick leave that the employee elects to use or which the employer requires the employee to use during any part of the 20-day period of unpaid leave. If the employee requests leave for a reason covered by both the NJ SAFE ACT and the Family Leave Act, NJSA 34:11B-1 et seq., or the Family and Medical Leave Act, 20 USC 2601 et seq., the leave shall count simultaneously against the employee’s entitlement under each respective law.

Employees eligible to take leave under the NJ SAFE ACT must, if the necessity for the leave is foreseeable, provide the employer with written notice of the need for the leave. The employee must provide the employer with written notice as far in advance as reasonable and practicable under the circumstances. The employer has the right to require the employee to provide the employer with documentation of the domestic violence or sexually violent offense that is the basis for the leave. The employer must retain any documentation provided to it in this manner in the strictest of confidentiality, unless the disclosure is voluntarily authorized in writing by the employee or is authorized by a Federal or State law, rule, or regulation.

The NJ SAFE ACT also prohibits an employer from discharging, harassing, or otherwise discriminating or retaliating or threatening to discharge, harass, or otherwise discriminate against an employee with respect to the compensation, terms, conditions, or privileges of employment on the basis that the employee took or requested any leave that the employee was entitled to under the NJ SAFE ACT, or on the basis that the employee refused to authorize the release of information deemed confidential under the NJ SAFE ACT.

1. Medical or dental treatment that cannot be scheduled during non-working hours

Sick leave time not used in any calendar year shall accumulate to the employee's credit from year to year to be used when needed for such purpose. An employee who retires from County Government on a bona-fide retirement basis via P.E.R.S or P & F will be reimbursed for 50% of accrued sick leave up to maximum amounts as set forth in collective bargaining agreements of the appropriate benefits programs. Non-affiliated staff, who retire on a bona-fide retirement basis, will be reimbursed per County policy.

An employee leaving employment prior to retirement and defined by the NJ Division of Pension and Benefits is not reimbursed for unused sick leave.

Employees should reference Policy 2.04 of the Cumberland County Government Policy and Procedure Manual for details regarding this benefit.

Within certain departmental units, the advance time required may be more than two weeks.

Vacations will be scheduled and granted, subject to management's responsibility to maintain efficient operations. If the nature of the work makes it necessary to limit the number of employees on vacation at any given time (this will be Management's right), employees with the greatest seniority (as it relates to total years of service with the County) shall be given preference in vacation scheduling.

Vacation will not be granted for periods less than ½ day, unless otherwise stipulated by a Collective Bargaining Agreement. **Requests for one (1) day vacation leave must be approved at least forty-eight (48) hours in advance by the employee's Department Head. (The same employee request form procedure will apply).** Unearned vacation cannot be used in lieu of sick time unless otherwise provided by contract.

If a holiday falls during a vacation leave, you receive holiday pay for that day and the employee may take a vacation day at a later date. In order to receive holiday pay, the employee must have worked the scheduled work day before the holiday and the day after the holiday, unless excused by illness supported by a doctor's excuse or other justifiable cause.
